America 250 fact of the day: Adai Caddo Nation
Updated Jun 22, 2026

LOGANSFORT, La. - As we approach the 250th anniversary of America, KTBS 3/KPXJ CW 21 continues to celebrate this history of our nation.

In the 1830's the Adai Caddo Nation served as allies in the American Revolution and the War of 1812. They welcomed early explorers, hosted Louisiana's first Catholic missions and helped shape towns in Natchitoches and Nacogdoches.

Thanks to Pacer Williams, a senior at Logansport High School in Logansport, for shining a light on this important development in ArkLaTex history.
